Ayer's Sarsaparilla
A compound remedy, designed to be the most
effective alterative that can be made. It is a
concentrated extract of the Sarsaparilla root,
combined with other substances of still greater
alterative power, as to afford an effective antidote
for the disease Sarsaparilla is reputed to cure.
It is believed that such a remedy is wanted by
those who suffer from Scurvy, or other blood
diseases, and that one which will accomplish their cure must
prove of immense service to this large class of
afflicted fellow citizens. How completely this
compound will do it has been proven by experi-
ment on many of the most cases to be found of
the following complaints—
SCROFULA AND SCROFULOUS COMPLAINTS, Eruptions,
and Eruptive Diseases, Urticaria, Pimples,
Eruptions, Tumors, Salt Rheum, Scald Head,
Syphilis and Syphilitic Affections, Mercurial
Disease, Dropsy, Neuralgia or Tic
Dolorous, Debility, Dysentery and Indi-
gestion, Erysipelas, Rose or St. Anthony's
Fire, and indeed the whole class of complaints
arising from Impurity of the Blood.
This compound will be found a great promoter
of health, when taken in the spring, to expel the
four humors which fester in the blood at that
season of the year. By the timely use of them
many rankling disorders are nipped in the bud.
Multitudes can, by the aid of the remedy, save
themselves from the endurance of foul eruptions
and ulcerous sores, through which the system will
strive to rid itself of corruption, if not assisted to
do this through the natural channels of the body
by an alterative medicine. Cleanse out the
vitiated blood whenever you find its impurities
bursting through the skin in pimples, eruptions,
or sores; cleanse it when you find it is impeded
and sluggish in the veins; cleanse it whenever
it is foul, and your feelings will tell you when.
Even where no particular disorder is felt, people
enjoy better health, and live longer, for cleansing
the blood. Keep the blood healthy, and all
well; but with this purgative of life disorders,
there can be no lasting health. Sooner or later
something must go wrong, and the great ma-
chinery of life is disordered or overthrown.
Sarsaparilla has not deceived, and the reputation
of accomplishing these ends. But the world
has been egregiously deceived by preparations
of it, partly because the drug alone has not
all the virtue that is claimed for it, but more
because many preparations, pretending to be con-
centrated extracts of it, contain but little of the
virtue of Sarsaparilla, or anything else.
During late years the public have been misled
by large bottles, pretending to give a quart of
Extract of Sarsaparilla, and a remedy as good as
these have been frauds upon the sick, for they not
only contain little, if any, Sarsaparilla, but often
no curative properties whatever. Hence, bitter
and painful disappointment has followed the use
of the various extracts of Sarsaparilla which flood
the market, until the name itself is justly despised,
and has become synonymous with imposition and
cheat. Still we call this compound Sarsaparilla,
because it really is a remedy as good as the real
one, and we name the compound as such, and not
the name from the load of obloquy which rests
upon it. And we think we have ground for
believing it has virtues which are irresistible by
the ordinary run of the diseases it is intended to
cure. In order to secure their complete cures
from the system, the remedy should be
judiciously taken according to directions on the
bottle.

Ayer's Cherry Pectoral
has won for itself such a reputation for the cure of
every variety of Throat and Lung Complaints,
that it is entirely unnecessary for us to recount
the evidence of its efficacy, wherever it has been
employed. As it has long been in constant use
throughout this section, we need not do more
than assure the people its quality is kept up to
the best it ever has been, and that it may be re-
lied on for their relief all it has ever been
found to do.
